

Mandatory Updated Adult Youth Protection Training

Quick Facts

In some states this may be known as the mandatory reporter of child abuse training required by state law.

BSA National Mandatory Training Policy

- Youth Protection Training (YPT) must be taken every two years.
- Councils are permitted to enact additional requirements.

Mandatory Training

The Boy Scouts of America's new updated Youth Protection Training is mandatory for all registered adult leaders in all BSA programs. Other adults participating in Scouting are strongly encouraged to take this one-hour online training.

The mandatory training modules are the following:

- Overview and Policies
- Sexual Abuse
- Bullying

The prior version of BSA's Youth Protection trainings **will no longer be available**. The updated training replaces other Youth Protection trainings and is required for all BSA programs.

By **October 1, 2018**, all new and currently registered leaders will be required to complete the updated training. The enhanced and updated content will allow leaders and councils to comply with all current legal requirements.

- Adults accompanying units on activities who are present at the activity for 72 hours or more, must also take Youth Protection Training. The 72 hours need not be consecutive.
- **New leaders** are required to take Youth Protection Training prior to completing the registration process.
- Units cannot **re-charter** unless all unit leaders have completed YPT within two years.
- Adult Youth Protection Training is required for adult program participants 18 years or older. Adult program participants (Venturing, Order of the Arrow, Exploring) must complete adult Youth Protection Training before submitting their adult application.

The **only position exceptions** to taking the required Youth Protection Training are:

- institutional heads and
- adult partners in Tiger and Lion programs.

- Parents and guardians are **strongly encouraged** to take the training.

- The training is **closed captioned**.

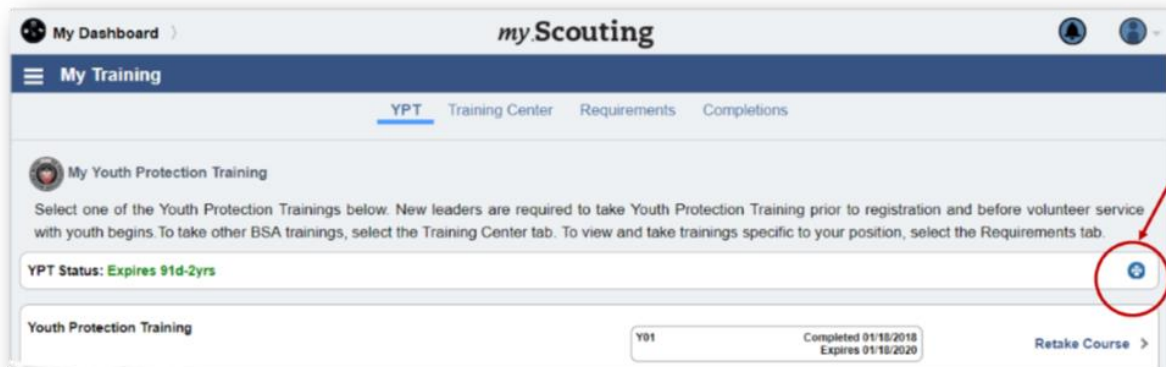

- **Spanish** version will be available mid-2018.
